Sir,

No. 12192-95
8984
With reference to Government Proceeding
dated 23:1:1902 directing
the deputation of one Naik and twenty
Constables from the Bangalore Special
Reserve Force for duty at the Kolar
Gold Fields, I have the honor to state
that in consultation with Messrs Carr
and Thomas, I have directed that from
1st January 1903 the batch of men from

the Special Reserve Force who are deputed to the Gold Fields may be allowed to draw batta at the rate of Rs 4 per mensem per man, as the other Policemen on the Fields instead of the present rate of annas 4 per diem per man, which is considered very high, and also arranged that the detachment should be changed once in every two months, instead of once a quarter, as was being done till now. As the men are provided with huts on the Fields, the reduction of the batta now proposed will not operate as a hardship on the men.

Copies of the marginally noted correspondence between this Office and the Deputy Commissioner of Kolar on the subject are enclosed for reference and I beg that my action may be approved.

I have the honor to be,
Sir,
your most obedient servant.

Inspector General of Police in Mysore.

To,

J. E. C. Carr Esquire
Deputy Commissioner
Kolar

Sir,

I have the honor to request you will be good enough to favor me with your opinion whether it is necessary to detail a batch of 21 men of the Special Reserve Police for duty at the Gold Fields as heretofore. They are I learn employed in escorting prisoners to the Court and to the Central Jail, a duty which they were never expected to do without defeating the original object with

with which the Special Reserve Force
was organized. It is intended that
this force should be kept in a state
of utmost efficiency for their services
being utilized on occasions of emergency.
The work the men are now required
to do will demoralize the force, not
to speak of the bad effect it has
by their long separation from the
main body. Under such circumstances
I would request you to consider whether
it is necessary to continue to send the
number of men as heretofore. You
will remember that it is far from
my intention to throw any difficulty
in the way of the present practice
being continued, but I am prompted
to make this reference in consideration
of the efficiency of this useful force.
whose services will be available at a
moment's notice at any part of the
Province, more so at the Kolar Gold
Fields which is connected with Bangalore

Yours

by a railway communication.

There is another point which deserves your serious consideration, viz, that the men who are now deputed for work at the Gold Fields cost Government besides their pay, annas 4 per day each as batta which with railway charges amounts to Rs 170/- per mensem, a sum equal to the pay of 8 first class Constables and 10 second class Constables who may be permanently maintained independent of the Reserve Force. Thus it will be found that the present arrangement is not advantageous either from a disciplinary or a pecuniary point of view.

From the reply received from the Chief Commandant on a reference made by this Office it would appear that no batta is paid to the Barr Sepoys who are deputed for Treasury guard duty out in the Taluke where they are provided with huts. Applying this principle to the Special Reserve Police,

I would in case a remuneration is to be continued to be sent to Kolar Gold Fields, stop the present high rate of batta but grant only what the ordinary Policemen there get over and above their pay, which allowance I believe amounts to Rs 4 per man for a month.

It is however necessary that the nature of work they are now required to do should necessarily be changed.

It seems necessary that we should come to some understanding to remove the anomaly; I would request the favor of any suggestion from you in consultation with Mr. Thomas.

I have the honor to be,
Sir,

Your most obedient servant,
Sof. C. Madiak
Inspector General of Police.

Office of the Superintendent of Police
Kolar Gold Fields
Dated, Champion Reefs 22nd Dec^r/0.

From,

P. B. Thomas Esquire
D^y. Superintendent of Police
Kolar Gold Fields

To,

L. Wadiah Esquire, Rao Bahadur
Inspector General of Police in Mysore
Through the Deputy Commissioner.

Sir,

In reply to your letter No: $\frac{1444}{93}$ dated
6th October, I have the honor to state
that I have gone into the matter through
with the Deputy Commissioner who is of
the same opinion on the subject as myself,
viz that it would greatly impair the
efficiency of the Gold Field Police
if the detachment of the Special Reserve
Police were withdrawn; and that if
this were done the regular Police would

have to be increased. The work that is objected to, viz, the escorting of prisoners is only what Reserve Police perform everywhere else and it is not a duty which is calculated to — demoralize them. All the Reserve in the Madras Presidency are used for this purpose and it has never been found to demoralize them. The detachment on the Gold Fields is under the eye of the Superintendent and is drilled every day with strictness besides being frequently inspected and it is kept in a thoroughly efficient condition.

With reference to para 2 of the letter under reference, it is believed that the rates of batta granted to the detachment of the Reserve on the Gold Fields is the same as that granted to the other detachments detailed on duty in the Districts. The rate is however

very high and I do not think it would⁴
be any hardship if it were reduced
to 4/- per man per mensem. I would
further suggest that the detachment
should be detailed for a shorter
period than 3 months. The men
themselves would prefer this and it
would be a further safeguard against
any deterioration though, as above stated,
I do not think that any such deterioration
is now going on.

I have the honor to be,
Sir,

your most obedient servant,

sd/ P. B. Thomas

D^y Superintendent of Police,
Kolar Gold Field.

Forwarded to the Inspector General.

I concur entirely with Mr. Thomas.
The Reserve are under better discipline,
and get more regular drill than
they would even in Bangalore. —

Escort duty is recognised throughout
India

India, as the proper and legitimate work
of a Reserve Force.
